MISSION AND VISION

We are a network of kingdom minded believers passionate about the end time harvest.

Mission

To support full time Missionaries and their families financially so that they can concentrate on kingdom assignments.

To help rebuild lives, restore livelihoods and rebuild Christian Communities that have suffered devastations from persecution beginning from Northern Nigeria.

Vision

Raising a network of kingdom financiers committed to support mission work, missionaries and the persecuted Church.

The vision of TGCN has become clearer and it has brought us into a better understanding of our calling as sender missionaries. We have been sent to bear the burdens of missions and missionaries. Not only do we see the golden opportunity and honour to share in the labour of those who go into all the worlds with the gospel of Jesus, we have chosen to seize it through kingdom financing.

INTRODUCTION

The December Pamper Mission (DPM), an annual initiative of The Global Consolation Network (TGCN) is gradually becoming a highlight event of the Christmas period for many missionaries and their families. It has become a tradition for the TGCN family to extend tokens of love and honor to missionaries at the end of the year in the form of food stuff hampers. In 2024 DPM moved levels by not only gifting hamper packages but also giving generous cash gifts to over 300 missionary families. We were also able to extend welfare packages to IDPs during the last Christmas period.

The 2024 edition of the Pamper Mission set out to support 500 missionary families but was ultimately able to reach three hundred and eight (308) families with basic foodstuffs worth eighty thousand naira (N80,000) and cash gifts of fifty thousand naira (N50,000) to go with it. In addition to this, one hundred and eighty-one (181) internally displaced family units got food items and cash gifts of twenty thousand naira (N20,000) each. Out of the 308 missionary families, 288 received the food items and cash gifts while the other 20 received only a cash gift of one hundred and thirty thousand naira (N130,000) each.

RECIPIENTS & LOCATION

The recipient missionaries were selected from different mission agencies and church mission arms including – Calvary Ministries (CAPRO), Foundation for Student Missions (FSM), Nigeria Fellowship of Evangelical Students (NIFES), Agape Missions, Fulani Outreach Ministries, Fellowship of Christian Students (FCS), Beljodas Care Foundation, Christian Missionary Foundation, Nigeria Evangelical Missions Association, Peace Rural Mission and some independent missionaries were also selected

The project took place in five different locations across West Africa namely – Ibadan Nigeria, Niger State Nigeria, Jos Nigeria, Republic of Benin and Niger Republic. It was indeed a time of rejoicing for all the missionaries who received the gifts, and their testimonies are still coming in. Most of them expressed how the Pamper Mission was a timely answer to their prayers.

Phase 1 200 missionary families across the nation

Phase 2 24 missionaries in Northern Nigeria

Phase 3 84 missionaries serving in Nigeria, Niger & Benin Republic

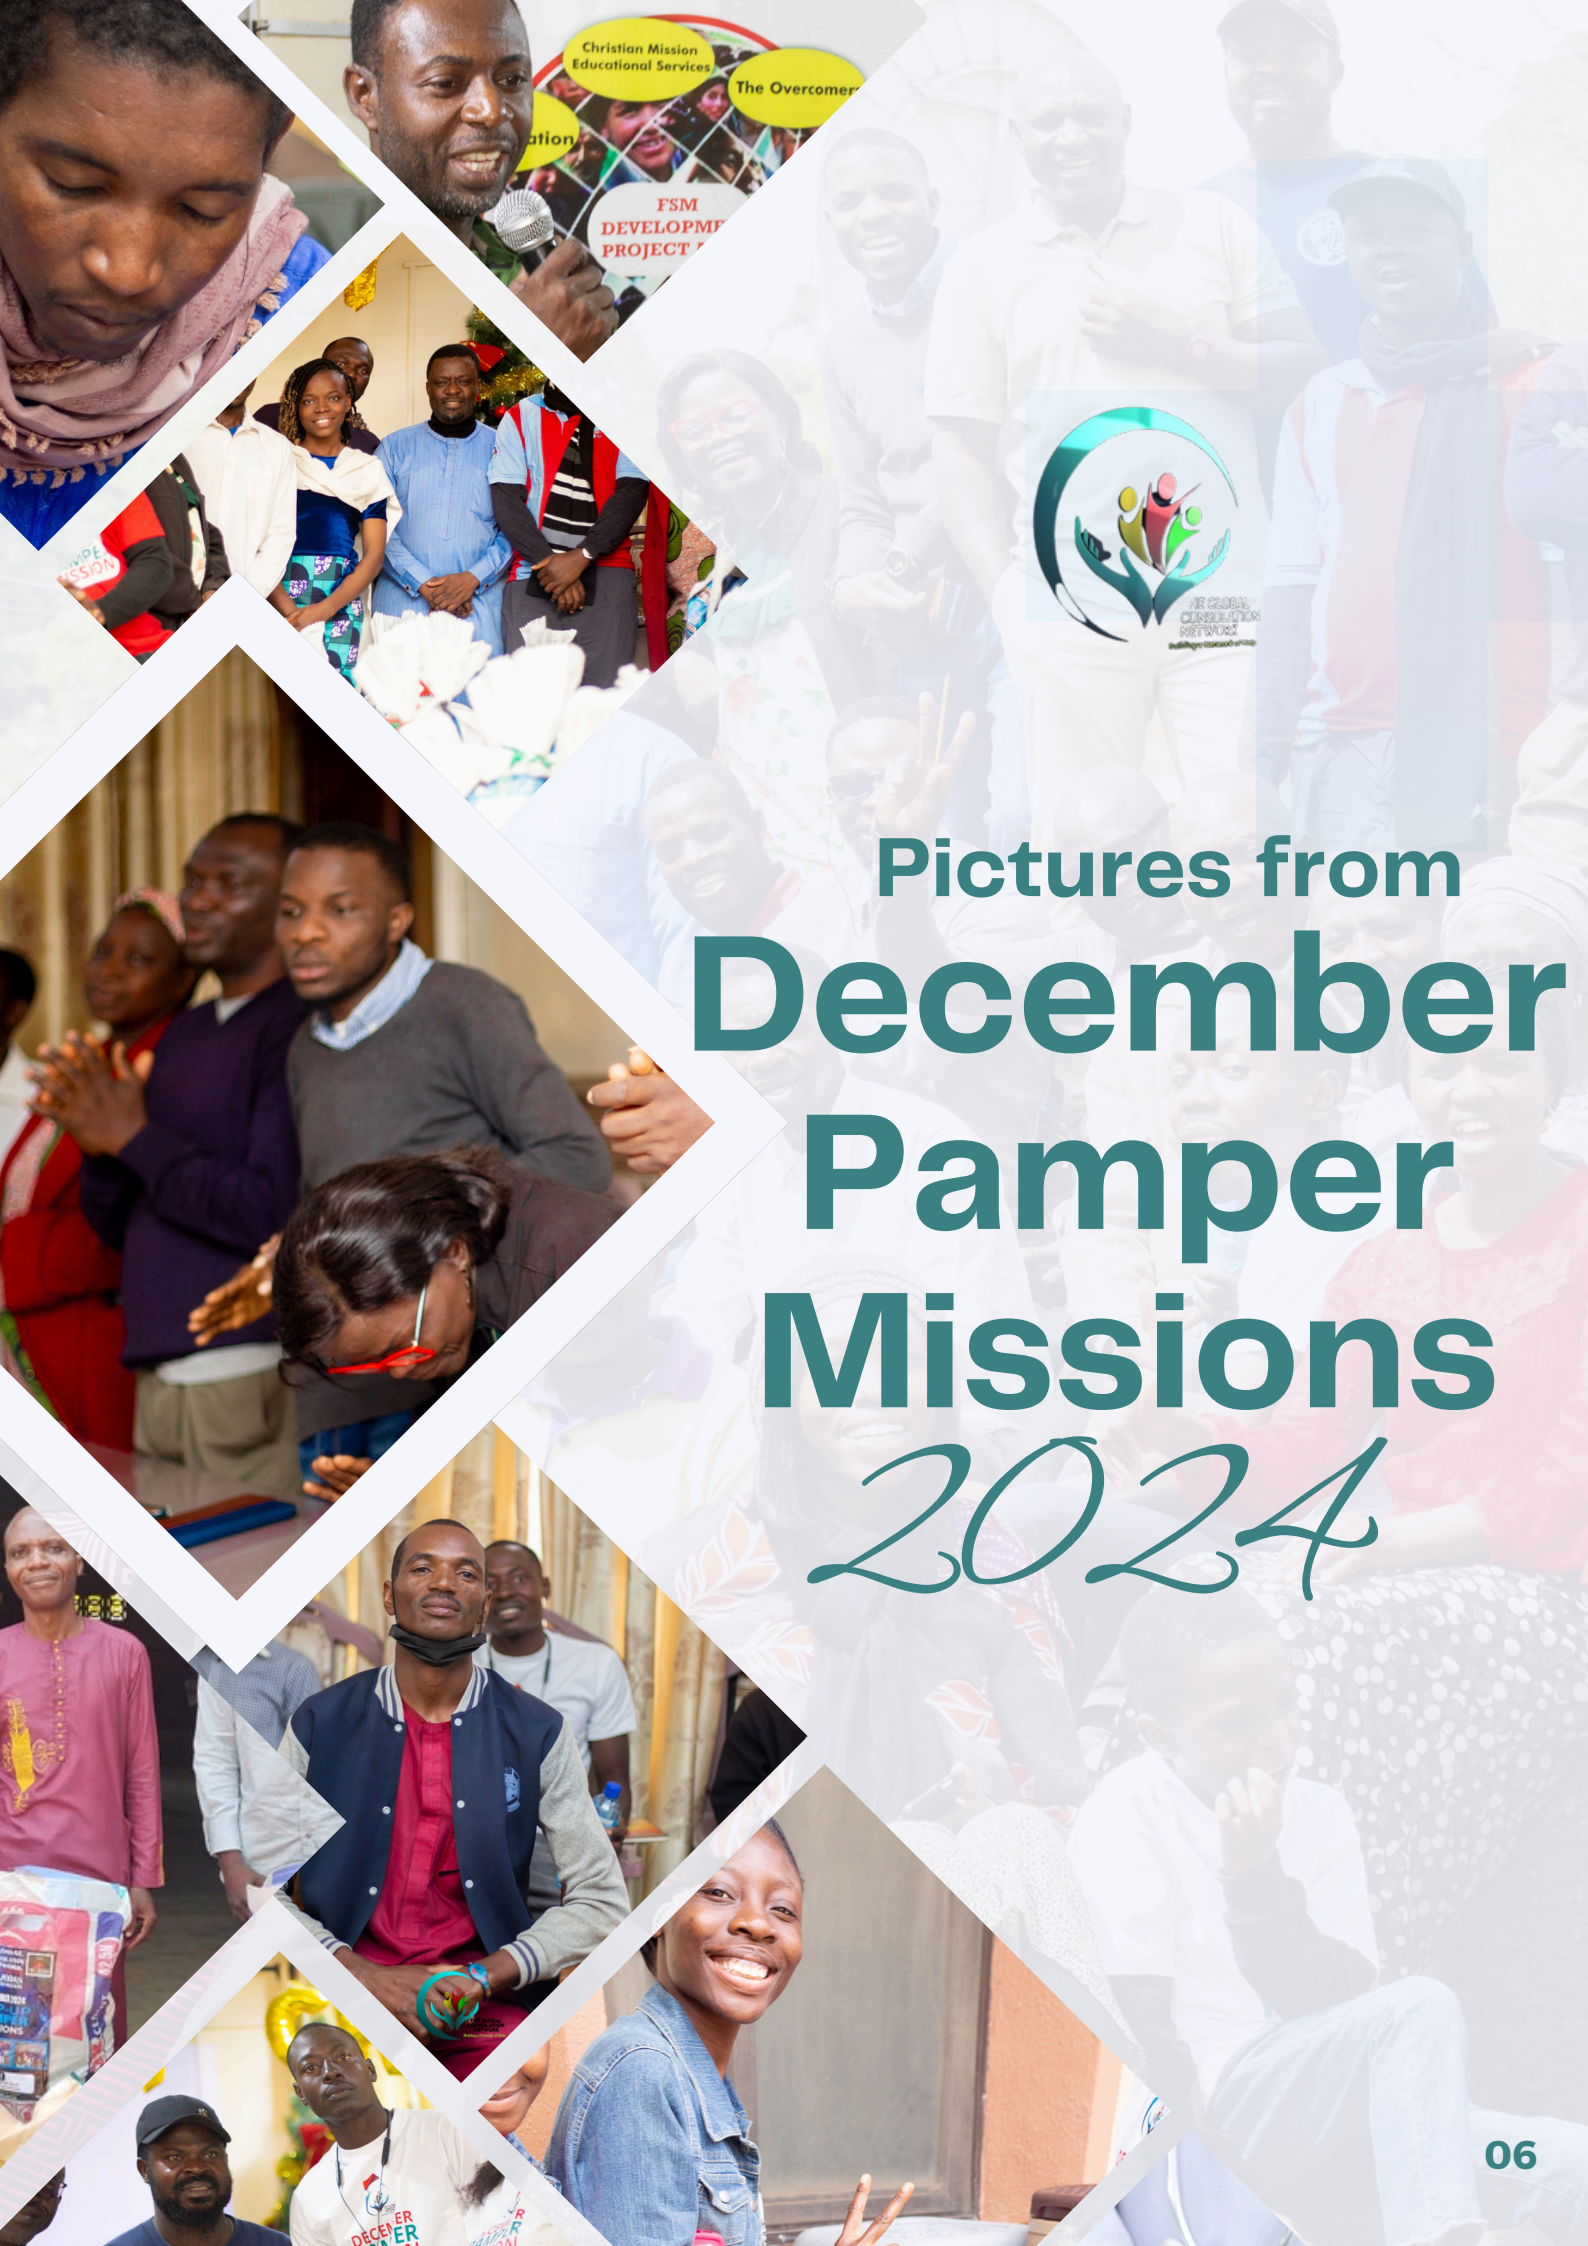

DPM'24 PACKAGE & SKILL ACQUISITION

The hamper items included were – 20kg bag of rice, 6-10kg bag of beans, 5kg bag of Garri, sugar, milk, milo, a pack of tea bags, seasoning cubes, salt, spaghetti packs, semolina, palm oil, vegetable oil and sachet tomatoes. The breakdown of the expenses for DPM 2024 is financial report page.

The Niger State chapter of DPM 2024 had a special feature which made it even more impactful. The missionaries had skill acquisition training sessions and empowerment program. Some of the skills taught included liquid soap making, pomade making, mint balm making and air freshener making. Trauma healing and counseling sessions were also held for some of the missionaries and internally displaced people who had recently come under the attack of insurgents and had suffered loss of their housing, livelihood and loved ones.

The gift really came at the right time, it helps me to purchase cooker gas, that evening as we got out of gas and help us get some things to the kids. As we operate an orphanage. The food stuff also came at the right moment too. Christmas morning all my family partake on a nice breakfast before going to church. God bless you all for the kind gesture.

Achi Danjuma Waziri

Abba Shelter for Children and the Needy

Am great full for TGCN for the December Pamper mission. I was not expecting a big package like this and even with a cash. in my thirteen years of ministry I have never received a Christmas gift as big as this. God Blessed every one that has make this a success. Thanks alot

Rita Nasha James

Nigeria Evangelical Missions Association

To me it's an answered prayer, I and my family have been praying for God's provisions for our welfare and Our convert, receiving this gift shows us that God is intentional about us, we are encouraged. It put smile on our faces and ready to keep on trusting God on his unfailing love. God bless every source and chanel it reached us in Jesus name amen.

Testimonies

→ I thank God Almighty for TGCN because it has given me a golden opportunity to reconnect with my First Love which is 'Missions'.

One of the golden things I missed after leaving College was 'Missions', I thank God for bringing it back to me.

In fulfilling Acts 11: 27 - 30 in our time, I believe and know God has called TGCN to execute this mandate and I thank God to be part of this...

Temitope Johnson Omokehinde

→ We may not all be able to go on the mission field, but through TGCN, everyone can participate in missions, by supporting and praying for those on the mission field I have enjoyed and found fulfilment praying for and supporting those on the mission field and my life has indeed been the better for it

Olanlesi Uwadiaye

I personally have a heart for evangelism as this is the Father's heartbeat and TGCN is a movement for us this end time! A mighty tool God is using to empower the work of missionary and I feel blessed to be a part.
